

## NOTICE TO CUSTOMERS

Dear Valued Customer:

BFI is offering a new two year contract to all small containerized solid waste hauling customers with service locations in the counties of Dubuque and Jackson, IA. We would like to take this opportunity to offer this contract to you. Of course, if you prefer, you can continue with your existing contract.

In most cases, this new contract will have terms that are more advantageous to customers than their current contracts. This new contract has the following features:

- an initial term of no longer than 2 years (unless you request a longer term);
- a renewal term of 1 year;
- you can choose not to renew the contract by simply giving us notice at any time up to 30 days prior to the end of your term;
- if you request a contract with a term longer than 2 years, you can cancel that contract by giving us notice at any time up to 30 days prior to the end of the first 2 years;
- you can choose to terminate the contract at any other time, but you will be required to pay, as liquidated damages, no more than 3 times the greater of your prior monthly or average monthly charge. If you've been a customer continuously for more than 1 year, the liquidated damages would be reduced to 2 times the greater of your prior monthly or average monthly charge;
- you will be able to choose on the contract which specific types of waste hauling services you would like us to perform.

You may obtain a new contract containing these terms by calling [insert BFI contact and number].

If you prefer, you may continue with your existing contract. If you retain your existing contract, we will not enforce any terms that are inconsistent with the new form contract terms.

If you have any questions, please call [BFI contact person and phone number.]
